The Campus Bike Project (CBP), located at 608 E. Pennsylvania Ave. in Champaign (between the greenhouses and the stock pavilion), is a collaboration between the University of Illinois and The Bike Project of Urbana-Champaign (http://www.thebikeproject.org). The Bike Project has been operating as a non-profit, membership-based bicycle repair shop since 2006 on the lower level of the U-C Independent Media Center, located at 202 S. Broadway in Urbana.

The CBP serves students, faculty, and staff who are looking for inexpensive, low maintenance, and environmentally friendly transportation — and don’t mind getting their hands dirty in the process. The Campus Bike Project provides a shared space for working on bicycles, learning from skilled volunteer mechanics, and sharing knowledge about bicycle commuting, bicycle safety, bicycle repair, and bicycle culture.

Regular shop hours are listed below. More information is available at http://www.thebikeproject.org/campus.html

Sound good to you? You can join online at: http://thebikeproject.org/join.html, or stop by the shop and look around. Membership is $25 per year for students and $40 per year for non-students, and gives you access to both the Campus and Urbana locations.
