Greetings,

On behalf of the U.S. Green Building Council, I congratulate you on achieving LEED certification for Integrated Bioprocessing Research Laboratory. Your project has achieved silver certification under the LEED v2.2 New Construction and Major Renovations rating system with a total of 36 points.

LEED certification identifies Integrated Bioprocessing Research Laboratory as a showcase example of sustainability and demonstrates your leadership in transforming the building industry. In honor of this impressive achievement and in appreciation of your participation in LEED, we are pleased to present you with the enclosed certificates recognizing your accomplishment.

Now that your project has achieved LEED certification, we encourage you to share your project with the green building community. Please follow the prompt in LEED Online to make it a "public" project. Public projects appear in our LEED project directory found on USGBC.org and are eligible to participate in additional marketing efforts and campaigns.

Congratulations on earning LEED certification, and thank you for your commitment to our common goal of building a healthy, sustainable future.

Sincerely,

Mahesh Ramanujam
