

# ReImagine

OUR **FUTURE**

## Undergraduate Sustainability COMPETITION

### The Challenge:

The global sustainability crisis is an opportunity for humanity to learn to flourish without compromising the natural systems upon which we depend.

### Your Mission:

Develop an innovative plan that promotes one or more of the United Nations' Sustainable Development Goals

**Your idea could be worth \$2000 to you and have an impact on the future!**

REGISTRATION PERIOD: AUG. 23 – SEPT. 20, 2021
