

Campus Bike Plan Update

October 19, 2010
Urbana BPAC

CATS bike plan subcommittee

- Campus Area Transportation Study
 - Urbana
 - Champaign
 - MTD
 - University
 - Regional Planning Commission

Other Plans Incorporated

- Urbana Bicycle Master Plan
- Champaign Moving Forward Transportation Plan
- University Multi-Modal Transportation Study
- Champaign County Greenways and Trails

Concurrent Efforts

- T.Y. Lin Bus-Bike Interaction Study
- Sixth Street Corridor Study
- Bike Parking improvements
- Education efforts
- Enforcement efforts
- Growth of Campus Bike Project

Sustainability Week

- Campus Bike Plan is a component of the University of Illinois Climate Action Plan (iCAP)
- Students for Environmental ConcernS (SECS) requested a bicycle event, so we arranged a Campus Bike Plan Workshop

Campus Bike Plan Workshop

- Wednesday, October 28th, 2010
- 5:30-7:30
- Multi-Purpose Room 7
- in the ARC on Peabody Street

- Opportunity to make comments on proposed network

Proposed Network

- Currently planned facilities in cities
- Recommended facility types for campus and cities within the University District
- Some study areas, shown in black as facility types to be determined
- This map does not show the existing facilities to keep the map as clear as possible
