Updates

1. Levenick Teaching Fellows Program (Luis Rodriguez)
 - New name: Undergraduate Levenick Scholars Program!
 - Idea of the program is for students interested in independent study, campus honors project, or research to find a faculty mentor and utilize data resources with the goal of advancing sustainability outcomes on campus.
 - Looking into the logistics of a research stipend as well as students receiving either hourly pay or course credit.
2. Green Career Forum
 - Going through contracting process for sponsoring companies
 - After reviewing contracting and logistics is complete, company recruiting can begin
 - February 18-19th still tentatively set as the date
3. Sustainability Course List

- Ran through a demonstration of an automated database search (A GitHub utilizing python) to filter and find sustainability related courses from the main course list document.

4. Sustainability Literacy Assessment

- Fall 2025 senior survey is still open, looking to close it soon as the semester ends

5. ICAP Pathways Charges Review

- We are on track with all of our charge letter goals!
