MC-706

Dear Professor Viswanathan,

It is my great pleasure to inform you that you have been named a Sustainability Fellow Advisor for the 2013-2014 academic year. Your proposal was reviewed by the Sustainability Fellows review team and they recommended your selection. The Sustainability Fellows program is an exciting new endeavor that connects the education and research mission to our campus operations. You are one of four faculty members selected as a Sustainability Fellow.

The Sustainability Fellow Advisor designation comes with one-month summer salary. The Sustainability Fellows will be recognized in the fall semester of 2013 during Sustainability Week. The Center for a Sustainable Environment will follow up with details about the funding and the event.

Again, please accept my warmest congratulations and thank you for your commitment to making our campus more sustainable.

Sincerely,
