End Date: 31st April 2010

Project Description:

The Bike Project was formed in late 2006 as a group of bicyclists, bike mechanics, and environmentally minded CU residents decided to do something about their vision of a cooperative bike shop space that could serve both the University and communities of Urbana-Champaign. This proposal requests funding to establish a sister location to the Bike Project on the UIUC campus located at the Natural Resources Building garages, and provide funding for its first year of operation. Thus, the Student Sustainability Committee is in favor of providing \$30,000 in funding – half for space retrofits, and half for staffing and supplies.

Student Sustainability Committee:

Suhail Barot, 08-09 Committee Chair

Paul Cheng, 08-09 Committee Vice-Chair
