Subject: Revolving Loan Fund project selection committee
Attachments: Revolving Loan Fund Agreement 2011.pdf; Revolving_Loan_Fund Fact Sheet.pdf

Hello there,

The [Revolving Loan Fund \(RLF\)](#) project selection process follows the AFMFA/Deferred Maintenance selection process. Each year, representatives are appointed to the AFMFA/RLF selection committee to review the potential projects. This year (2013-2014), there was no need for a Deferred Maintenance project selection to occur, so the AFMFA/Conservation Committee was not convened. However, we do have Revolving Loan Fund projects to assess, and we recently received your names as the official committee members for the current year/summer.

AFMFA/Conservation Committee Members

- The Executive Director of Facilities & Services – Al Stratman
- An appointed representative of the Provost – Mike Andrechak
- An appointed representative of the Vice Chancellor for Research – Lyndon Goodly
- An appointed representative of the Vice Chancellor for Student Affairs – Ed Slazinik
- Student Trustee – Michael Cunningham
- Illinois Student Senate President – Mitch Dickey
- Student Sustainability Committee (summer) Chair – Amy Liu
- Illinois Student Senate at large representative – Ron Lewis

Because it is acceptable to handle this process through email at this time, I am asking for you to review the RLF agreement document and fact sheet, which are attached here. I will send a follow up email with the first step in this process. Email me or call me at 217-333-2668 if you have any questions about the Revolving Loan Fund.

Additionally, recognizing that this is the last week of the semester, some of you may be out of contact in the next couple of months. Please send me the dates when you will be out of email contact, and I will try to arrange the selection process schedule around those dates.

Thank you,
Morgan
