

State of Illinois Master Contracts with Sustainable Properties - as of July, 2014

Description	Contract *	Attributes
Boxes, Cardboard Storage/Shipping	4017659-60	Minimum 25% recycled content
Calendars, Paper	None	Paper calendars discontinued; electronic calendars are to be used.
Cards, Business	4017527	Recycled-content card stock; minimum 30% post-consumer waste
Carpet, Broadloom & Carpet Tile	4017027	Includes carpet products that are min. 25% RC and cradle-to-cradle certified
Electric Vehicle Charging Stations	4017244	Charges electric vehicles with electricity rather than gasoline
Electronic Equip. Recycle/Reuse	CMS480699A - B	IT equipment is demanufactured and recycled by a State Use Workshop vendor
Envelopes, Brown Kraft	4017554	At least 20% post-consumer content
Hand Soaps & Dispensers	4017407-08	All products certified by Green Seal, USEPA DfE or EcoLogo (State Use vendors)
Janitorial Cleaners, Green	4017677-78	All products certified by Green Seal, USEPA DfE or EcoLogo
Liners, Can	4017265	100% recycled LLDPE (State Use Workshop vendor)
Motor oil, Re-refined	4017148	Re-refined motor oils with 72% - 100% recycled base stock (for purchase by CMS Division of Vehicles & IL Toll Highway Authority)
Office Supplies	4017241	Many office supplies on contract include items with recycled content
Paper, Small Purchases	4017369	Paper: 10% - 30% Post-consumer fibers; Envelopes: Minimum 30% PCF
Paper, Copy	4017369; 4017647	Some items on contracts are 10% to 30% post-consumer material content
Paper, Foam & Plastic Products (disposable kitchenware; paper towels)	4017386; 4017593 - 4	Many of the items on contract include recycled or biobased content alternatives (4017386 is a State Use Workshop contract)
Paper, Index	4017586	Minimum 10% post-consumer fibers
Paper, Uncoated Offset	4017417	Minimum 10% post-consumer fibers
Tires, Retread	4017570	Contractor applies new tread on truck tire casings up to 3 times
Toilet Tissue	4017269	100% recycled content; min. 45% post-consumer content (State Use Workshop)
Toner Cartridges	4017395 - 97	Refurbished; refilled; postage-paid return of used cartridge (State Use Workshop)
Vehicles, Passenger	4017336-7; 4017635	Flexible-fuel vehicles that can be fueled by gasoline or gas-ethanol mix (E-85)
Vehicles, Light- or Medium-Duty	4017340-1; 4017624	Flexible-fuel vehicles that can be fueled by gasoline or gas-ethanol mix (E-85)
Vehicles, Vans - Cargo, Minivans, Passenger	4017343; 4017587; 4017158	Flexible-fuel vehicles that can be fueled by gasoline or gas-ethanol mix (E-85)
Vehicles, Special Service SUV	4017600	Flexible-fuel vehicles that can be fueled by gasoline or gas-ethanol mix (E-85)
Vehicles, Police Pursuit	4017159-60	Flexible-fuel vehicles that can be fueled by gasoline or gas-ethanol mix (E-85)

*Contracts can be viewed in their entirety on the Illinois Procurement Bulletin: www.purchase.state.il.us; select "Master Contracts"

State of Illinois Master Contracts with Sustainable Properties - as of July, 2014

Illinois Procurement Code or Act	Reference	Summary of Sustainable Properties
Biobased Products	30 ILCS 500/45-75	Preference of 5% may be given to bidders who fulfill contract requirements through use of biobased products.
Biodiesel Blends	625 ILCS 5/12-705.1	When refueling at a bulk central fueling facility, 5% biodiesel blend is required to be used by diesel-powered vehicles owned by the State or by local governmental units.
Corn-Based Plastics	30 ILCS 500/45-55	Preference may be given to bidders who fulfill contract requirements through use of plastic products made from Illinois corn by-products.
Electronic Products Recycling and Reuse Act	30 ILCS 105/5.708	Electronic products shall have a Bronze performance rating or higher registration under the Electronic Product Environmental Assessment Tool (EPEAT)
Energy Star Lighting in State Facilities	20 ILCS 3953/25	All 1,000+ square feet owned and leased State buildings must use Energy Star labeled light bulbs where practicable.
Environmentally Preferable Procurement	30 ILCS 500/45-26	Defines environmentally preferable supplies & services; requires the State to contract for EP supplies unless it does not meet performance standards or would impose economic hardship; price preference of up to 10% for environmentally preferable products.
Green Buildings Act	PA 96-0073	New State-funded building construction and major renovations must meet or achieve LEED standards.
Green Cleaning Schools Act and Green Cleaning in State Facilities	105 ILCS 140/1 & 20 ILCS 405/405-216	All Illinois elementary & secondary schools shall establish a green cleaning policy and exclusively purchase and use environmentally-sensitive cleaning products (Rule: that are certified by Green Seal, USEPA Design for the Environment, or EcoLogo). Amended on 7/24/09 to include State-owned buildings.
Green Governments Illinois Act	20 ILCS 3954/15	Establishes the Green Governments Coordinating Council and requirement for annual reporting; amended in 7/24/09, including requirement that CMS designate a single point of contact for environmentally preferable purchasing inquiries.
Illinois Agricultural Products	30 ILCS 500/45-50	Preference may be given to bidders who fulfill contract requirements through use of agricultural products grown in Illinois.
Low Mercury, Energy-Efficient Lamps and Ballasts	410 ILCS 46/40	Revises procurement specifications for lamps and ballasts purchased by the State.
Open Operating Standards Act	20 ILCS 45/1 et seq.	Requires that cloud computing options be evaluated and, if possible and feasible, adopted for IT procurements.
Procurement Goals for Local Farm or Food Products	30 ILCS 595/10	Goal that 20% of all food and food products purchased by State agencies and State-owned facilities shall be local farm or food products by the year 2020. Allows 10% preference for local farm and food products.
Recyclable Paper	30 ILCS 400/45-25	All supplies purchased by State agencies must be recyclable paper unless a recyclable substitute is not acceptable or would cause undue hardship.

State of Illinois Master Contracts with Sustainable Properties - as of July, 2014

Illinois Procurement Code or Act	Reference	Summary of Sustainable Properties
Recycled Materials	30 ILCS 500/45-20	Bidders who will fulfill a contract through use of products made of recycled supplies may be given preference over other bidders provided the cost does not constitute an undue economic or practical hardship
Regulation of Phosphorus in Detergents	PA 95-0115	No person may use, sell, manufacture or distribute for sale any cleaning agent containing more than 0.5% phosphorus by weight, expressed as elemental phosphorus, in Illinois, with certain exceptions.
Soybean-Oil Based Ink	30 ILCS 500/45-15	Printing contracts shall specify the use of soybean oil-based ink
Transportation Sustainability Procurement Program Act	30 ILCS 500/20-165	Requires contracts for the procurement of freight, small package delivery and other cargo shipping and transportation services to track and report greenhouse gas emissions.
Vehicles Powered by Agricultural Commodity-Based Fuel	30 ILCS 500/45-60	Preference may be given to bidders who fulfill contract requirements through use of vehicles powered by ethanol produced from Illinois corn or biodiesel fuels produced from Illinois soybeans.

Federal Regulations Affecting Procurement	Reference	Summary of Sustainable Properties
Energy Policy Act	Years 2009-10	Standards expanded to cover energy-saving versions of T12 lamps.
Dept. of Energy Regulations	7/14/2012	Regulations went into effect eliminating the T12 lamps that the magnetic ballasts operate.
Purchase of Recycled Content Products, Federal Solid Waste Act	Section 6002	Federal grant recipients are required to purchase recycled content products. The USEPA developed Comprehensive Procurement Guidelines (CPG) to assist agencies with implementing the requirements. Lists of approved products are also available from this site: http://www.epa.gov/epawaste/conserve/tools/cpg/index.htm
