Re: Request for funding from the UIUC Sustainability / Clean Energy Technology Fees
Project: Green Link At School of Art + Design and Krannert Art Museum
Applicant: Nan Goggin

Dear Nan:

The Student Sustainability Committee is pleased to inform you that we are recommending to the Office of Sustainability that your project (to install a green roof at the Link Gallery joining the School of Art and Design and the Krannert Art Museum) **receive \$3,400 in supplemental funding**. We remind you of on-going requirements associated with this grant, regarding education, outreach, and publicity about the green roof, including some sort of signage that acknowledges the Committee's support and the submittal of a final report on the project, including an accounting of all funds spent. We will require that all funds provided by the SSC by expended by September 1st, 2010. If you have any questions regarding these requirements, please contact us at sustainability-committee@uiuc.edu.

The Committee will contact you when the Office of Sustainability officially approves this project. Again, thank you for your interest in improving the sustainability of the University of Illinois at Urbana-Champaign. We look forward to working with you in the future.

Sincerely,

Suhail F. Barot
UIUC Student Sustainability Committee, Chair
