Cycling Savvy

Truth & Techniques of Traffic Cycling

Tuesday, October 23, 2012
6:30–9:30 pm at the U of I ARC
Auditorium, Concourse Level
201 E. Peabody Drive, Champaign

Everything you need to know to ride your bike safely and confidently in traffic

➤ The Law
The rights and responsibilities of cyclists. Cyclists have legal rights that most are not aware of (and responsibilities, too!)

➤ Bicycle Safety
Bicycling is safe. Understanding the causes of bicycle crashes and how to avoid them makes bicycling even safer.

➤ Traffic Cycling Problem-Solving
Applying Knowledge of the Law and Bicycle Safety to specific traffic cycling situations.

Open to all from 14 to 101 years, regardless of cycling experience.
