Dear Ms. Street:

**SENATE SCHEDULES
Motor Vehicle Replacement**

As you requested we offer the following information:

1. There are 216 vehicles in the UIUC Car Pool as of January 6, 2021.
2. The approximate budget for replacement of vehicles in FY 2021 is \$445,000. The funds used are self-supporting plant funds, a portion of which are derived through billings to State funds.
3. Planned replacement of sedans in the Car Pool is 15 during FY 2021.
4. The general rules for vehicle replacement are:

Trucks:	10-15 years
Sedans:	6 years or 90,000 miles
Mini-vans:	6 years or 65,000 miles
Vans and SUVs:	9 years or 115,000 miles

This information is similar to that furnished annually by the University. Please call me at 244-0909 if you have any questions.

Sincerely,

Macie Sinn
Transportation Clerk
