Hello Vihaan,

Right now we have identified a pod of restrooms located on the north side of Illinois Street Residence Hall on the 4<sup>th</sup> floor. Below is a snap shop of the floor plan with each of the restrooms highlighted. There are 8 total within this cluster. We are also continuing to talk with the staff at Lincoln Avenue to gauge resident interest at this location and a possible location. As we know more on this location I will let you know.

Thanks, Bryan
