

Design for America

UIUC

Quad Day 2021!

THANK YOU to everyone who visited our booth today! We met some pretty cool people today when we weren't taking cover from the heat :) We are so glad you're interested in design thinking and are inspired by the amount of people who want to make a change in the community.

Kaitlin Skurnak, Director of Membership

Design Week

Make sure to come out to as many of our events as you can over the next two weeks to get to know us and try out some design thinking (aka HCD)!

DESIGN for AMERICA *applications due sept. 4th*
 ★ fall 2021 ★

Interested in human centered design?
 Wanna be involved in the community?
 Come to our recruitment events that'll be held at the Siebel Center for Design

Speed Dating with Members
 aug 24th @6:30pm twilight studio
 Info Night 1

Get to Know DFA

Design for America at University of Illinois Urbana-Champaign is a registered 501(c)3 non-profit that focuses on social innovation using the human-centered design process. Our studio is part of a

and innovators revolutionizing the way university students engage with and improve the world around us. We are interdisciplinary because we value a diversity of input and experiences from all fields. Anyone interested in design, innovation, entrepreneurship, getting involved with the community, or just making a difference can help us tackle a wide variety of challenges.

Make sure to follow us on social media, check out our past projects, and learn about more of what we do on our website!

DESIGN WEEK

Speed Dating

August 24th 6:30 PM

Twilight Studio

Get to know our members! You'll meet people you'll be working with on your project teams and better understand the friendly, outgoing culture that DFA strives to cultivate.

Info Night 1

August 25th 6:00 PM

Room 1002

Find out more about who we are, what we do, and what it's like being in DFA. You'll get a chance to be up on your feet and to talk to our members about their experiences!

Wallet Workshop 1

August 26th 5:00 PM

Info Night 2

August 30th 6:00 PM

Room 1002

Another opportunity to find

From the Stanford d.School, a big educator of HCD, you'll learn how to take user insight and build a product with rapid iterations based on feedback. This was a super popular event from last year and you'll be able to have a tangible product by the end!

Wallet Workshop 2

September 1st 6:00 PM

Twilight Studio

From the Stanford d.School, a big educator of HCD, you'll learn how to take user insight and build a product with rapid iterations based on feedback. This was a super popular event from last year and you'll be able to have a tangible product by the end!
