Hi Doug and Qu,

The funding from the Carbon Credit Sales is approved, per the emails below, based on the attached proposal from Dr. Stumpf for \$65,610.

Jenny Kokini at ISEE will assist with connecting the Carbon Credit Sales Funding to the related project. Jenny, the point person for the project budgeting is Doug Reddington, the F&S Capital Planner for this Campus Instructional Facility.

Please let me know if you need me to do anything to assist.

Thanks,  
Morgan

A great project, Mohamed. Let's move forward with it. I've copied Jenny; she can advise on how to transfer the funds from the provost's office. Cheers, Evan
