Will the attached letter work? Ruby got it to me late last week.

Hello!

We will need to fill out a new Anticipated Wire Transfer form so we can update the amount and the date on the for.

The PRV# is a reference number for us, so that will be on the form again.

Previously there was a letter we received indicating the breakdown of sales- I have attached the one we received last time. Will we be sent something similar? I send that along with the Anticipated Wire Transfer form to our University Accounting & Financial Reporting office so the wire transfer is deposited to the correct account when it comes through.

Thanks-

Jessi

Hi Andrea and Jessica,

I suspect the reference for the wire transfer needs to be updated (in addition to the amount). The pdf says to reference "PRV140216-15" which refers to a specific transaction from FY18.

Did you / could you check this pdf for Micah, so he can share it with Second Nature's contact this week?

Thanks,  
Morgan

Good afternoon!

We've sold another \$6,718.75 of carbon credits via Second Nature, and they want to verify the details for a wire transfer to pay us. I've attached the anticipated wire transfer form from last time and I don't think anything's changing on our end.

I've requested an anticipated date from them to expect the transfer, and offered 10/26 as an option.

Is there anything else you need from me at this time to prepare for the incoming funds?

Thanks!

All My Best,

Micah Kenfield

Hi Micah,

The C2P2 sale to BEF just came through. UIUC had \$1,075 credits in the sale (at \$6.25 per credit) so we have \$6,718.75 to send you. Would you prefer a wire transfer, similar to last time? The information we have on file is:

JPMorgan Chase Bank, NA  
10 South Dearborn Street  
Chicago IL 60603  
ABA/Routing No. 071000013 (US only)  
Account Title: The Board of Trustees of the University of Illinois  
Account Number: 11-12201

Let us know if this works, or if you would like a different process.

Thanks!  
Ruby
