Hi Micah,

Will the attached document work? If you need something different, let me know and we can put that together.

Thanks!

Sounds good!

Could you pass me along an invoice for the amount of money incoming for the carbon sale (with units / cost per unit / total \$)? Our financial unit requires us to include an invoice with a form for anticipated incoming wire transfers to make sure it ends up at the right internal account, and before I can give out the wire transfer info I need to get their approval.

Thanks!

Hi Micah,

We invoiced BPTN last week for the credit sale, and as soon as we receive the money will transfer to UIUC.

Could you please send Amy Lyons (copied here) the bank account where we should wire the payment? Amy manages our accounting (we have a new system this year).

Let me know if you have any questions, and thank you!

Best,  
Ruby
