Hi Evan and Helen,

In the spring you both approved spending approximately \$50K on the updated tree inventory for campus. Brent Lewis worked with the Campus Tree Advisory Committee to clarify the scope and get two quotes (it is under the bid limit).

He is now ready to submit a work order and Purchase Order and we have an updated total cost of \$70K. Will you please approve spending \$70,000, rather than \$50,000 for this project?

Before the tree inventory funds, the balance of the Carbon Credit sales revenue is approximately \$1.04M.

Thank you,  
Morgan
