

updates. Other websites that the team will work with include sustainability.illinois.edu, the Student Sustainability Committee, AE3 Instructor Resources, and more.

Since inception, the iCAP Portal team members have been meeting regularly to discuss feature progress, maintenance needs, and updates to the iCAP Portal. As a result of these discussions, they have implemented continuous innovations that allow the iCAP Portal to remain user-friendly for the general public and more useful for data access and reporting needs of University faculty and staff. MSTE will continue to provide all the technical support and implementation of proposed innovations.

TERM

This agreement will be in effect from July 1, 2020 to June 30, 2023. The term can be extended by mutual written agreement of all three of the MOU parties.
