Everyone,

Well, we had a brief but effective meeting today. [I've updated the meeting record and dropped into our Teams file folder](#) for our meeting agendas and records. [Please look it over and pay particular attention to the blue editions, and those pieces highlighted.](#) We need to really make some significant progress in the next month before the end of Fall semester in developing the event plans for Spring 2022 Earth Week.

A few key take-aways, and some things that resolved right after the meeting:

- Welcome to new Green Team member Raneeta Mack, our talented specialist in social media from Illini Union's marketing team!
- Louis has kindly dropped the planning/outreach plan for Earth Week into a new Teams file folder "[Earth Week Planning](#)". Please check it out and provide Louis with any other contacts you may have to add to the list.
- Izabel will attend our next SSC Board meeting Friday 11/19/21, 1PM to speak to the Earth Week programming and coordination.
- As I am now covering multiple management roles within Illini Union Operations (5 at last count), I welcome any on the Green Team who can take lead on projects and coordinate semi-autonomously. You'll notice we have a number of initiatives without leads, so please let me know.

Best regards,

Dave
