Sustainability Research Symposium

Future Plans

- Sustainable Food Event in the works
 - Currently involving SSF, Pilot Plant, Bevier
 - Planning to reach out to related student groups
- Any other events you want to see?
 - Career fair?
 - Art event?
 - Etc?
- Setting up conversations with campus leadership and community organizations
 - Any particular people/groups you would like us to talk to?
 - Any issues you want us to bring up to them?

SSLC Updates

- Sustainability sub-council agenda
 - Current proposed agenda items - SUBJECT TO CHANGE
 - Zero Waste: Coke & Athletics
 - Energy planning: SF3
 - Sustainability general education requirement
 - Sustainable land management report
 - iCAP objectives progress
 - Anything you want us to try to get on the agenda?
- Should we switch to Discord?

General Reminders

SSLC Google Calendar:

- Collection of affiliated RSO events (and campus-wide events)
- Can add org as a collaborator so you can add events
- Can “invite” SSLC calendar to event (thanks Linc!)

SSLC Affiliates Contact Sheet

- Organizing all org contacts into one sheet
- Please fill out your respective information!
