Dear University of Illinois,

On behalf of the Green Sports Alliance, it's my pleasure to officially welcome the University of Illinois at Urbana-Champaign as a Standard Member of the Green Sports Alliance!

Together, in our first decade, we've built a movement and global platform for positive change. Sport has a global reach and the Alliance is uniquely positioned to amplify environmental and social causes and activate our passionate fan bases. As our world begins to normalize from this pandemic, we are committed to scaling our impact with a renewed sense of urgency for a more resilient future.

We're fortunate to have the opportunity to showcase and exemplify your leadership within the sports greening movement and to serve your team as a valued member and part of the Alliance family. We are looking forward to discussing further opportunities on specific engagements with our membership network.

Again, welcome to the Green Sports Alliance!

Sincerely,

Roger McClendon
