

Noyes Lab

505 S Mathews Ave, Urbana, IL 61801

October 23rd-27th

Sampling Schedule:

The week of October 23rd-27th place every bag of trash and recycling into the gaylord (large cardboard box on pallet) collection containers. There will be two gaylord containers, one for trash (**please double bag broken glass**), one for recycling, so please utilize the corresponding container. **In the event these boxes are full before ISTC empties them, please revert to placing materials into the regular dumpster(s).** As long as there is room in the gaylords, please continue to put materials in them. ISTC will remove gaylords when sampling is complete.
