

Engagement iCAP Team Meeting

Meeting Minutes

May 1, 2024

Attendees: Codie Sterner, Olivia Pazerunas, Reed Thibadeau. Kathy Adams, David Guth, Maddie Yu, Brodie Dunn

I. Updates

- Members Olivia Pazerunas and Maddie Yu are graduating and will be leaving the team after this semester.
- Reed gave a recommendation for a potential new member, and Dave proposed adding a colleague from the Illini Union Board. Kathy suggested having a faculty member from housing join the team (Dave Arnold).
- Codie says that the team will most likely meet at the beginning of the summer and go over more 2025 planning objectives.
- Dave proposed that a meeting should be held with some of the students and Union Board involved with Sustainapalooza and go over the strengths and challenges of that event.
 - Potential changes for next year: Begin planning earlier, shift the time frame to avoid crowd lulls, and implement more food components (in a sustainable way)

II. iCAP Kickoff Feedback

- In-person events were highly favored, and students hope to see more involvement in the future. Either inviting student groups or having a working team.
 - Orange Krush and Block I may be good to work with

- Potential for semesterly iCAP meetings with all teams. All team members thought this should be implemented.
 - Dave suggested having it be more of a social event, maybe over dinner.
Kathy suggested adding a trivia component.
- Reed, Dave, Brodie, and Kathy all intend to stay on the team next year.
- Team will meet Friday, May 24, 2024, to discuss 2025 goals.
