

iCAP Zero Waste

Meeting Minutes

May 3, 2024

Attendees: Daphne Hulse (chair), Olivia Pazerunas (clerk), Jenna Schaefer, Joy Scrogum, Pete Varney, Thurman Etchison, Tim Knox

I. Campus Initiatives:

- Poster feedback: reduce single-use plastic, implement composting, no plastic bags or bottles in university buildings
- Dump & Run: 8 shipping containers across residence halls for students and community members to donate personal items. Collaboration with Salt and Light, Habitat for Humanity, Goodwill, and Eastern Illinois Food Bank. *May 6 - May 12, 8am-8pm.*

II. 2025 Planning

- Pete says that F&S is looking at green cleaning and associated costs, and present that information to the provost's office for potential budget expansion

III. EOY Report

- The report contains a summary of group work for AY 2023-24, challenges, and topics to focus on in the upcoming academic year. This document can be found in our Box Folder.

IV. Closing Comments

- Daphne suggested looking into using water monsters instead of handing out water bottles at the new student convocation
- Thurman says that the catering kitchen will be moving to FAR residence hall

Action Items: Send suggestions for student team members (All), add comments to the EOY report if need be (deadline: Wed May 8)
