Discussion

- 217 Flea

- Interested in organizing an event on campus with help from an RSO
- Wants to host an event within walking distance of campus
- Can help with sourcing vendors for other events that RSOs are interested in hosting
 - All sustainable vendors
- Interested in hosting a monthly outlet
- Looking for student exposure if hosting a market isn't possible
- Ways to support RSOs from SSLC?
 - Post more RSO events in the discord
 - Help with advertising
 - iCAP Portal
 - Keep up to date with your RSO page on the [iCAP Portal](#)
 - To learn how to update or add a project page for your RSO, contact [Quinn Connolly](#)
 - Keeping the portal up to date can help with advertising
 - iSEE Greener Campus Programs
 - Certifies chapter houses, offices, and events as green
 - Wants student interest and input
 - Launching programs in October
 - More info to come
 - Keep your RSO events up to date on the SSLC calendar
 - This calendar is available to look at on Instagram and the iCAP portal
 - Great advertising for new members
 - Update meeting times, events, and anything you want to advertise
