

iCAP Education Team December Meeting Agenda

** Meeting notes are in blue; action items are highlighted**

Monday, December 16th

4:00pm – 5:00pm; Teams Meeting

Attendees: Eric Green, Sheri Glowinski, Katherine Bruce, Emily Schutt, Jimena Martinez, Gretchen Forman

Absentees: Katie J, Maeve Conlon, Kate Abney, Luis Rodriguez

Updates

1. Sustainability Literacy Assessment Data (Gretchen)
 - Went out first week of August to first year students and transfers
 - Purpose to gauge student knowledge/opinions on sustainability prior to entering UIUC
 - 3,066 total student responses
 - Ex. Question: How important is global warming to you personally?
 - 26% said extremely, 38% said very, 31% said somewhat, 5% said not very and 1% said not at all
2. Green Career Forum Survey (Katherine)

No responses yet, continuing to spread the survey through various platforms
3. Sustainability Gen-Ed Requirement (Eric)
 - Meeting prior to fall break with the Gen Ed Committee
 - Proposal included sustainability definition and content, it was well received
 - Main suggestion was to make clear distinctions between categories since sustainability is so interdisciplinary (concerns regarding cross listing courses)
 - Including a list of support letters from the Deans and department heads from various colleges

Action Items:

Provide feedback on sustainability literacy assessment (beginning of next semester)

Thank you all for a great semester, have a wonderful winter break!
