University of Illinois at Urbana-Champaign (UIUC)  
Student Sustainability Committee

Re: Request for funding from the UIUC Sustainability / Clean Energy Technology Fees  
Project: Green Link At School of Art + Design and Krannert Art Museum  
Applicant: Nan Goggin

Dear Nan:

The Student Sustainability Committee is pleased to inform you that we are recommending to the Office of Sustainability that your project (to install a green roof at the Link Gallery joining the School of Art and Design and the Krannert Art Museum) **receive \$3,400 in supplemental funding**. We remind you of on-going requirements associated with this grant, regarding education, outreach, and publicity about the green roof, including some sort of signage that acknowledges the Committee's support and the submittal of a final report on the project, including an accounting of all funds spent. We will require that all funds provided by the SSC be expended by September 1<sup>st</sup>, 2010. If you have any questions regarding these requirements, please contact us at [sustainability-committee@uiuc.edu](mailto:sustainability-committee@uiuc.edu).

The Committee will contact you when the Office of Sustainability officially approves this project. Again, thank you for your interest in improving the sustainability of the University of Illinois at Urbana-Champaign. We look forward to working with you in the future.

Sincerely,

Suhail F. Barot  
UIUC Student Sustainability Committee, Chair

**Project:** Green Link At School of Art + Design and Krannert Art Museum

**Funding Source:** Sustainable Campus Environment Fee

**Funding Amount:** \$3,400

**Receiving Campus Unit:** School of Art and Design

**Account Number:** 1-629514-526000-191200-526GLA (Existing SSC Account)

**Primary Contact Person:** Nan Goggin

**E-mail:** goggin@illinois.edu **Phone:** (217)-333-0855

**Secondary Contact Person:** David Akins

**E-mail:** akins@illinois.edu **Phone:** (217) 333-6083

## **Project Description:**

The goal of this project is to construct a green roof atop the Link Gallery between the School of Art + Design and the Krannert Art Museum. This project will be implemented primarily by students and faculty of the School of Art + Design and will be in a highly visible campus location. It will help reduce energy costs at the facility and provide rain water for the surrounding gardens. This project was initially funded through a \$63,900 grant awarded in Feb 2009, to be used for three project components – roof resurfacing, a rainwater catchment system and a modular green roof, with a \$17,000 allocation toward the green roof. A structural assessment completed over Summer 2009 indicated that the roof was capable of holding a green roof 20% larger than originally planned on (432 trays instead of 360 trays). Given costs already spent on resurfacing the roof by both the Committee and Facilities and Services, the Committee is in favor of scaling up the green roof component of costs by 20% to allow for the largest possible installation at the site. Thus the Committee recommends additional funding of \$3,400 to support this project.

## **Student Sustainability Committee:**

  
Suhail Barot, 09-10 Committee Chair

Date Approved: 6/3/10

  
Erin Harper, 09-10 Committee Vice-Chair

Date Approved: 06/01/10

## **Office of Sustainability:**

  
Richard Warner, Director, Office of Sustainability

Date Approved: JUN 01 2010

  
Steve Sonka, Vice-Chancellor for Public Engagement

Date Approved: 06/01/10
