Time to complete

1. Date of this semester progress report submission *

12/15/2025

2. Name of project exactly as it was listed in your award letter *

Campus Lumber Project

3. Date of original award letter *

May 25 2024

4. Date of expiration listed on award letter (or on scope change approval if more recent) *

8/15/2026

5. How much was your award (i.e., original award plus any approved budget increases)? *

89,016.95

6. How much of your award has been spent to date (in dollars)? *

36,410.59

7. Date of forecasted project completion *

8/15/2026

8. Have you submitted one or more semester progress reports previously? *

☒ YES

☐ NO

9. Describe, in detail, what has been completed on the project since the last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? *

This project had stalled due to the costs of electrical construction on site. We took an alternative course of action and purchased a battery mill so that batteries could be charged at any location. We submitted a scope change last year to approve this change and received increased funding in our scope change to purchase the battery electric mill rather than the electric mill. Since the scope change, the battery mill was ordered and arrived on campus in early August. The mill is settling into its home on the Race and Windsor forestry plot, and training for student workers is being prepared.

10. Describe, in detail, the project's challenges/obstacles since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? *

Since our successful scope change, the roadblock of purchasing and powering the mill has not hindered progress.

11. Describe, in detail, the project's successes since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? *

In collaboration with another SSC-funded project, we hosted an event with Rick Collins and Sustainable Design. The event had many interested students, staff, and community members come see a demonstration of the mill.

12. Did your project have any changes to its team that SSC should know about (e.g., project lead, faculty/staff advisor, departmental financial contact)? *

NOTE: If yes, please complete the SSC Project Contact Information Change Form located at this link: <https://forms.office.com/r/uBjx9nmNpG>

☐ YES

☒ NO

13. Complete and upload the semester financial documentation for your project. You should reflect all expenditures since your last semester project report. We strongly suggest that you also upload supporting financial documentation from Banner for your award CFOP. NOTE: When your project is completed and/or expired (whichever comes first), any remaining project funds will be transferred back to the SSC.
