6. How much (in dollars) of your award (including previous approved budget increases) is remaining? *

9666.07

7. Briefly describe the goals of your project. *

The goals of our project remain the same. It is to build a robust electric race-ready motorcycle by October of 2025. However, some requirements for our project has changed. The total voltage of the bike will be limited to 126 Volts instead of 300 Volts. This means our bike will actually be safer than previously noted.

8. Have you submitted one or more required Semester Project Reports for this project prior to this Scope Change request? *

NOTE: Timely submission of Project Reports are required to remain in compliance with the Terms and Conditions of your award. Yes No

9. Type of Scope Change requested (select all that apply) *

 Budget Increase Project Direction Project Timeline

10. How much additional funding (in dollars) are you requesting? *

Enter N/A if not applicable

\$2115

11. Provide a detailed explanation for the requested Budget Increase. *

Enter N/A if not applicable

We are requesting \$2115 in additional funding, however we also deleted a few items from the original approved budget spreadsheet, so the total is still under 10k. These items are clearly labeled on the SCOPE changed spreadsheet and our revised budget spreadsheet.

12. Provide a detailed explanation for the requested change in Project Direction. *

Enter N/A if not applicable

The main change change in Project direction is the new race we are going to racing in. the race is through an organization called Motostudent. The race is in October of 2025, so the main timeline remains the same.

13. Provide a detailed explanation for the requested change in the Project Timeline *

Enter N/A if not applicable

N/A

14. Please complete the Scope Change Budget and Timeline spreadsheet (link to file is below) and upload the updated version here.
