Project Name: Sustainable Transportation Interns

Funding Source: SCEF (303692)

Funding Requested: \$44,880.00

Funding Allocated: \$27,900.00

Project Lead, Dept., and Email: Sarthak Prasad, F&S, sprasad9@illinois.edu

Unit Financial Contact, Dept., and Email: Mike Alsip, F&S, alsip@illinois.edu

Project Category: Transportation & Infrastructure

Project Description:

Over the past several years, the University of Illinois Urbana-Champaign has taken several steps to enhance the Sustainable Transportation projects and experience, and there is a need to have student interns to support these efforts on campus. Currently, Bicycle Programming and Infrastructure Fee (Bike Fee) is only \$1 per student per semester, which amounts to about \$90,000 per year. I am very grateful for the Bike Fee, however, we cannot budget for intern(s) with that funding. I am requesting the SSC to allocate \$50,000 to hire at least one student intern for the Sustainable Transportation projects for the next two years.

This proposal directly funds:

1. One year of intern wages
