Time to complete

1. Date of this semester progress report submission \*

2/4/2026

2. Name of project exactly as it was listed in your award letter \*

Sustainable Transportation Interns

3. Date (or semester/year) of original award letter \*

11/21/2024

4. Date of expiration listed on award letter (or on scope change approval if more recent) \*

11/21/2026

5. Enter the total amount of the award, including any budget increases as a result of a previous scope change. \*

27900

6. What is your project's 6 digit fund account number created for this project and to which the SSC allocation was transferred? \*

**Please ask your project's financial contact for this information if unknown.**

304902

7. How much of your award has been spent to date (in dollars)? \*

18073.96

8. Date of forecasted project completion \*

11/21/2026

9. Have you submitted one or more semester progress reports previously? \*

YES

NO

10. Describe, in detail, what has been completed on the project since the last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? \*

In January 2025, two interns were hired for sustainable transportation projects: Karina Jang and Bhagyashree. They both graduated in May 2025. Karina and Bhagyashree worked on air travel emissions, micromobility research, EV Charging project, helped with Campus Bike Plan and TDM reports, and programming for Bicycle-related projects on campus.

In June 2025, Emily Repetowski and Max Kwon-Allred were hired, and they helped with the Summer Bicycle Round-Up project over the summer. While Max left the position in early fall semester, Emily has continued to work as the Sustainable Transportation Intern. She has continued the research on micromobility (e-bike charging) that is gaining for traction on campus, and hopefully we will be able to implement it on campus. Other than that, Emily has worked on her own research for Bike Buddy/Bike Ambassadors, designs for bike racks, progress reports, and other projects.

This funding has been incredibly helpful to support active transportation effort on campus.

11. Describe, in detail, the project's challenges/obstacles since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? \*

We havent had much challenge recruiting students and since there is a lot to work on, it has been great.

12. Describe, in detail, the project's successes since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? \*

\* Hired 4 students, currently employing 1 student intern

\* Students worked on a variety of projects, including Abandoned Bicycles project, Air Travel Emissions, GIS support, Bike rack designs, Eco-Counters data collection etc.

\* Student have supported several programming events - Bike to Work Day, Bike For Earth Day, Light the Night, Bike Census, etc.

13. How many students and how many non-students have been impacted by your project, thus far, and how? \*

We have already worked with 4 students directly through this funding. These students have been working on the objectives listed in the Campus Bike Plan and Illinois Climate Action Plan's Transportation Chapter, which impact students across campus.

14. Did your project have any changes to its team that SSC should know about (e.g., project lead, faculty/staff advisor, departmental financial contact)? \*

**NOTE: If yes, please ALSO complete the SSC Project Contact Information Change Form located at this link: <https://forms.office.com/r/uBjx9nmNpG>**

YES

NO

15. (OPTIONAL FOR SEMESTER REPORT) Upload project marketing and/or media not previously submitted in semester progress reports.

**NOTE: Project marketing and/or media must include SSC's logo and/or a statement of which fee(s) funded the project.**

No answer provided.

16. Complete and upload the semester financial documentation for your project. You should reflect all expenditures since your last semester project report. We strongly suggest that you also upload supporting financial documentation from Banner for your award CFOP. NOTE: When your project is completed and/or expired (whichever comes first), any remaining project funds will be transferred back to the SSC.
