Project: Greenhouse Renovation for the **Greenhouse Renovation for the Sustainable Student Farm and Illinois Urban Farmers Student Organization**

Dear Jack McCoy,

The University of Illinois at Urbana-Champaign Student Sustainability Committee (SSC) is pleased to inform you that your project has received approval from the Institute for Sustainability, Energy, and Environment (iSEE), and the Vice Chancellor for Student Affairs.

The Student Sustainability Committee is proud to award **\$34,249.00** in grant funding for **Greenhouse Renovation for the Sustainable Student Farm and Illinois Urban Farmers Student Organization**.

In order to remain eligible for this award, you agree to the following conditions:

1. This award is active for a period of **two (2) years** from the date of the fully authorized award letter or as otherwise indicated in this award letter. The Project Lead is the individual responsible for all official communication and the execution of this agreement. It is expected that this Funding Award Letter will be authorized expeditiously and that the project will be completed within these two (2) years.
2. The project's Financial Contact must submit the prescribed Banner Fund, Program, Index (FPI) Code Request Form to the University Accounting and Financial Reporting (UAFR) for the assignment of a Chart, Fund, Organization, and Program code (CFOP) **within four weeks** of receipt of this letter. The CFOP established for this award shall strictly be used to award the funds for this proposal and SSC-approved project-related transactions. All institutional accounting rules are applicable, including deficits being prohibited for SSC award-related CFOPs.
3. A progress report and a detailed list of expenditures must be provided by the end of each semester during which the award is active. The link to the on-line **SSC Semester Progress Report** can be found on our website. All progress reports will be available to the public via the SSC's Illinois Climate Action Plan (iCAP) project portal.
4. A final report of all work completed, a full list of expenditures, and a detailed sustainability impact report must be provided to the SSC by **11/21/2026** or by project completion, whichever comes first. The link to the on-line **SSC Final Project Report** can be found on our website. The SSC reserves the right to rescind all remaining funds after project is completed or after project is expired, whichever comes first. The final project report will be available to the public via the SSC's Illinois Climate Action Plan (iCAP) project portal.
5. Any substantial modifications to the project, including alterations to the project budget, timeline, and/or direction, must be submitted via a scope change application form at least **two (2) months** before the project's expiration date. A majority vote is required to approve scope changes. The link to the on-line **SSC Scope Change Application** can be found on the SSC website.

6. Should there be a need for a change to the Project Lead or other project team members including the Faculty/Staff Advisor and/or the Project's Financial Contact, a contact information change request form must be submitted. The link to the on-line **SSC Contact Information Change Request Form** can be found on our website.
7. Equipment purchased with SSC funds is considered property of the university. The sponsoring department is responsible for all equipment purchased with SSC funds. Equipment should be inventoried according to institutional procedures and should be returned to the department, as applicable, when not in use by the project team.
8. Marketing or educational/promotional material including but not limited to advertising, signs, digital ads, press releases, or other media involving the project or events related to this project must include SSC's logo and/or a statement of which fee funded the project. The project team must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.
9. The project is required to abide by all applicable institutional policies and procedures as well as applicable local, state, and federal laws.
10. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.

Project Name: Greenhouse Renovation for the Sustainable Student Farm and Illinois Urban Farmers Student Organization

Funding Source: SCEF (303692)

Funding Requested: \$34,249.00

Funding Allocated: \$34,249.00

Project Lead, Dept., and Email: Jack McCoy, ACES, jemccoy@illinois.edu

Unit Financial Contact, Dept., and Email: Jack McCoy, ACES, jemccoy@illinois.edu

Project Category: Food & Waste

Project Description:

In collaboration with the Illinois Urban Farmers (IUF) student organization, this project requests funds for the renovation of existing defunct greenhouse space at the future site of the Sustainable Student Farm (SSF) to improve sustainable food system education and student participation. Supported by the Department of Crop Sciences and the Sustainability in Food and Environmental Systems Program, the SSF is initiating a location change on Lincoln Ave, directly adjacent to the Illinois Arboretum. The new site will improve visibility and access, providing opportunities to bolster student engagement. A fully functioning greenhouse, shared with IUF, is an essential first step.

This proposal directly funds:

1. Doors, Shutters, Paneling, Base Boards, and Associated Installation Components
2. Heater, Cooler, Controller, Wall Fan, and Associated Installation Components
3. Hydroponic Equipment
4. Wages for HVAC Installation
5. Student Worker Wages
