9. Have you submitted one or more semester progress reports previously? *

☐ YES

☒ NO

10. Describe, in detail, what has been completed on the project since the last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? *

We initiated greenhouse cleanup in March of 2025, removing overgrown plant material and waste. We have also identified a student hourly to be dedicated to the project over the summer.

11. Describe, in detail, the project's challenges/obstacles since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? *

Following the announcement of this award, the facilities where this greenhouse is located changed ownership (now under the Division of Parks and and Natural Resources, formerly in the Department of Crop Sciences). This transition delayed our ability to start the project, but has not changed the scope. The Department of Crop Sciences has signed a Memorandum of Understanding with the Division of Parks and Natural Resources agreeing to the continued use of space by the Sustainable Student Farm, with specific mention of this greenhouse renovation project.

12. Describe, in detail, the project's successes since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? *

We have initiated greenhouse clean up and have identified personnel to ensure that renovations continue to progress. We are encouraged by the new partnership with the Division of Parks and Natural Resources and are optimistic that the remaining renovations will continue quickly and with broad impact on the campus community.

13. Did your project have any changes to its team that SSC should know about (e.g., project lead, faculty/staff advisor, departmental financial contact)? *

NOTE: If yes, please complete the SSC Project Contact Information Change Form located at this link: <https://forms.office.com/r/uBjx9nmNpG>
