Time to complete

1. Date of this semester progress report submission \*

12-4-24

2. Name of project exactly as it was listed in your award letter \*

UIUC Rainwater Management Plan

3. Date of original award letter \*

5-5-23

4. Date of expiration listed on award letter (or on scope change approval if more recent) \*

4-30-25

5. Date of forecasted project completion \*

3-1-25

6. Have you submitted one or more semester progress reports previously? \*

☒ YES☐ NO

7. Describe, in detail, what has been completed on the project since the last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? \*

Consultant finished preliminary data input and processing and created hydrology models. Consultant attended the local MS4 community quarterly meetings to gather problem area input from surrounding municipalities. They also set up three Building Facility Manager meetings with campus staff to discuss problem areas on campus that need researched. Drafted Rainwater Management report for review.

8. Describe, in detail, the project's challenges/obstacles since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? \*

Coordinating the Building Facility Manager meetings with the appropriate contacts and developing the public input website for problem areas took more time than anticipated.

9. Describe, in detail, the project's successes since your last semester progress report (or since the project commenced if you have not yet submitted a semester progress report)? \*

Community outreach with the campus Building Facility Managers and the local MS4 group and the draft report compilation.

10. Complete and upload the semester financial documentation for your project. You should reflect all expenditures since your last semester project report. We strongly suggest that you also upload supporting financial documentation from Banner for your award CFOP. NOTE: When your project is completed and/or expired (whichever comes first), any remaining project funds will be transferred back to the SSC.
