Project: UIUC Rainwater Management Plan

Betsy:

The University of Illinois Urbana-Champaign Student Sustainability Committee (SSC) is pleased to inform you that your project has received approval from the Institute for Sustainability, Energy, and Environment (iSEE), and the Vice Chancellor for Student Affairs.

The Student Sustainability Committee is proud to award **\$200,000.00** in grant funding for **UIUC Rainwater Management Plan**.

To remain eligible for this award, you agree to the following conditions:

1. The project must be completed within two years of the funding being awarded. A final report of all work completed, a full list of expenditures, and a detailed sustainability impact report must be provided to the SSC Advisor by **4/30/2025** or project completion.
2. Project status updates and detailed account statements must be provided at the end of each semester until the project is completed.
3. The Primary Applicant will be responsible for all official communication and the execution of this agreement.
4. The Project Unit Financial Contact must submit the prescribed FPI form for the assignment of a CFOP within four weeks of receipt of this letter. The CFOP established for this award shall strictly be used for the awarded funds of this proposal.
5. Any substantial modifications to the project must be submitted within a scope change form, including modifications to the budget, timeline, project lead, and project direction. A majority vote of the SSC must approve scope changes.
6. All projects must follow university policies and procedures and applicable local, state, and federal laws.
7. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.
8. Any press releases or educational/promotional materials involving the project must acknowledge SSC funding.
9. Any marketing, including but not limited to advertising, signs, and digital ads, involving the project or events surrounding this project must include SSC's logo and/or a statement of which fee funded the project. Projects must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.

Project: UIUC Rainwater Management Plan

Funding Source: Sustainable Campus Environment Fee

Funding Requested: \$200,000.00

Funding Allocated: \$200,000.00

Primary Unit of the Project: Capital/Facilities & Services

Unit Financial Contact: Mike Alsip

Project Description:

This project will develop a comprehensive Rainwater Management Plan for the University of Illinois Urbana-Champaign. The plan will include recommendations to protect the existing storm water system, mitigate or fully resolve known problems on campus, and create new rainwater management system improvements. Facilities & Services will hire a Professional Services Consultant (PSC) to develop this campus Rainwater Management Plan that will recommend a sustainable path toward achieving the university's strategic storm water objectives and goals. This project will start in July of 2023 and remain active until March of 2024. The information generated from this project will ideally include projects for students to engage with and become part of the learning curriculum.

This proposal directly funds:

1. Faculty and Services Standards Review Costs
2. Consultant Fee
