Project: College of Education - South Atrium Green Wall

Samantha:

The University of Illinois Urbana-Champaign Student Sustainability Committee (SSC) is pleased to inform you that your project has received approval from the Institute for Sustainability, Energy, and Environment (iSEE), and the Vice Chancellor for Student Affairs.

The Student Sustainability Committee is proud to award **\$50,000.00** in grant funding for **College of Education - South Atrium Green Wall**.

To remain eligible for this award, you agree to the following conditions:

1. The project must be completed within two years of the funding being awarded. A final report of all work completed, a full list of expenditures, and a detailed sustainability impact report must be provided to the SSC Advisor by **4/30/2025** or project completion.
2. Project status updates and detailed account statements must be provided at the end of each semester until the project is completed.
3. The Primary Applicant will be responsible for all official communication and the execution of this agreement.
4. The Project Unit Financial Contact must submit the prescribed FPI form for the assignment of a CFOP within four weeks of receipt of this letter. The CFOP established for this award shall strictly be used for the awarded funds of this proposal.
5. Any substantial modifications to the project must be submitted within a scope change form, including modifications to the budget, timeline, project lead, and project direction. A majority vote of the SSC must approve scope changes.
6. All projects must follow university policies and procedures and applicable local, state, and federal laws.
7. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.
8. Any press releases or educational/promotional materials involving the project must acknowledge SSC funding.
9. Any marketing, including but not limited to advertising, signs, and digital ads, involving the project or events surrounding this project must include SSC's logo and/or a statement of which fee funded the project. Projects must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.

Project: College of Education - South Atrium Green Wall

Funding Source: Sustainable Campus Environment Fee

Funding Requested: \$50,000.00

Funding Allocated: \$50,000.00

Primary Unit of the Project: College of Education

Unit Financial Contact: Amanda Brown

Project Description:

This project will build a vertical green space in the College of Education at the University of Illinois Urbana-Champaign. This will create an environmental learning space for the students and educators to utilize. Beyond natural aesthetics, the environmental benefits are biological air filtration, biological sound dampening, biological thermal stability, and research for the iCAP. The project will begin in the Fall of 2023 and conclude in the Fall of 2024. This project will have continued maintenance by the College of Education.

This proposal directly funds:

1. Gsky Versa Wall with Tanks at the Bottom
2. 3/4" plywood backing and Trim and Base Cabinet
3. Plants and 10-step rolling ladder
4. Permanent Wall Signage and Light fixture/bulb upgrade
5. Installation (hours), UIUC trades and 1-year mandatory Maintenance Agreement
