Project: Solar-Powered Workstation for new Campus Recreation green space

Joshua & Emily:

The University of Illinois Urbana-Champaign Student Sustainability Committee (SSC) is pleased to inform you that your project has received approval from the Institute for Sustainability, Energy, and Environment (iSEE), and the Vice Chancellor for Student Affairs.

The Student Sustainability Committee is proud to award **\$10,000.00** in grant funding for **Solar-Powered Workstation for new Campus Recreation green space**.

To remain eligible for this award, you agree to the following conditions:

1. The project must be completed within two years of the funding being awarded. A final report of all work completed, a full list of expenditures, and a detailed sustainability impact report must be provided to the SSC Advisor by **4/30/2025** or project completion.
2. Project status updates and detailed account statements must be provided at the end of each semester until the project is completed.
3. The Primary Applicant will be responsible for all official communication and the execution of this agreement.
4. The Project Unit Financial Contact must submit the prescribed FPI form for the assignment of a CFOP within four weeks of receipt of this letter. The CFOP established for this award shall strictly be used for the awarded funds of this proposal.
5. Any substantial modifications to the project must be submitted within a scope change form, including modifications to the budget, timeline, project lead, and project direction. A majority vote of the SSC must approve scope changes.
6. All projects must follow university policies and procedures and applicable local, state, and federal laws.
7. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.
8. Any press releases or educational/promotional materials involving the project must acknowledge SSC funding.
9. Any marketing, including but not limited to advertising, signs, and digital ads, involving the project or events surrounding this project must include SSC's logo and/or a statement of which fee funded the project. Projects must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.

**Project:** Solar-Powered Workstation for new Campus Recreation green space

**Funding Source:** Sustainable Campus Environment Fee

**Funding Requested:** \$10,000.00

**Funding Allocated:** \$10,000.00

**Primary Unit of the Project:** Campus Recreation

**Unit Financial Contact:** Alana Harris

**Project Description:**

The project will install a Campus XL Workstation in the Green Space for Campus Recreation at the University of Illinois Urbana-Champaign. The station provides solar panels that charge small electronic devices. The solar panels serve as resistance to elements while guests charge devices. The Green Space will host students, staff, and guests to the campus and the workstation will allow sustainable electric functionality. The project will generate sustainable culture and add to the green infrastructure of the University. The installation and continued maintenance will be paid for by Campus Recreation. The project will begin in June of 2023 and conclude in December of 2023.

**This proposal directly funds:**

1. Campus XL Workstation
