Project: Establishing high-efficiency cold storage capacities

Dan:

The University of Illinois Urbana-Champaign Student Sustainability Committee (SSC) is pleased to inform you that your project has received approval from the Institute for Sustainability, Energy, and Environment (iSEE), and the Vice Chancellor for Student Affairs.

The Student Sustainability Committee is proud to award **\$30,691.36** in grant funding for **Establishing high-efficiency cold storage capacities.**

To remain eligible for this award, you agree to the following conditions:

1. The project must be completed within two years of the funding being awarded. A final report of all work completed, a full list of expenditures, and a detailed sustainability impact report must be provided to the SSC Advisor by **4/30/2025** or project completion.
2. Project status updates and detailed account statements must be provided at the end of each semester until the project is completed.
3. The Primary Applicant will be responsible for all official communication and the execution of this agreement.
4. The Project Unit Financial Contact must submit the prescribed FPI form for the assignment of a CFOP within four weeks of receipt of this letter. The CFOP established for this award shall strictly be used for the awarded funds of this proposal.
5. Any substantial modifications to the project must be submitted within a scope change form, including modifications to the budget, timeline, project lead, and project direction. A majority vote of the SSC must approve scope changes.
6. All projects must follow university policies and procedures and applicable local, state, and federal laws.
7. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.
8. Any press releases or educational/promotional materials involving the project must acknowledge SSC funding.
9. Any marketing, including but not limited to advertising, signs, and digital ads, involving the project or events surrounding this project must include SSC's logo and/or a statement of which fee funded the project. Projects must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.

**Project:** Establishing high-efficiency cold storage capacities

**Funding Source:** Sustainable Campus Environment Fee

**Funding Requested:** \$30,691.36

**Funding Allocated:** \$30,691.36

**Primary Unit of the Project:** Department of Evolution, Ecology and Behavior

**Unit Financial Contact:** Penny Broga

**Project Description:**

This project is to fund three new freezers for the Department of Evolution, Ecology, and Behavior in the Miller Lab. The three freezers will achieve different levels of cryopreservation for various levels of biological research. The freezers will produce an expansion of the academic curriculum for the University of Illinois Urbana-Champaign. The ideal class expansion will be to add sustainable and environmental sciences to the future of student education. The freezers will be energy efficient and will reduce the lab's carbon footprint. The project is scheduled for completion in the Summer of 2023.

**This proposal directly funds:**

1. 4 degrees refrigerator
2. -20 degrees freezer
3. -80 degree freezer
