Project Questionnaire

Please provide proper and accurate information.

1. Is your project complete? *

Yes

No

2. Name of project *

Establishing high-efficiency cold storage capacity for the Miller lab

3. Date project received financial award letter *

May 5, 2023

4. Date of project completion *

August 2, 2023

5. Date of final report submission *

April 19, 2024

6. Please describe marketing and promotion efforts for the duration of the project. *

We have printed and laminated signs advertising the SSC and Illinois Green Fund on the freezers themselves, and have included acknowledgments in our recent publications (Singh et al., 2024 Journal of Neuroscience Methods) and outreach events (Beckman Open House).

7. Please describe how your project faced challenges or obstacles during the duration of development. *

None

8. Please describe in detail how your project has integrated student involvement, community outreach, and campus sustainability. *

We have collaborations including students from Psychology, Comparative Biosciences, Molecular and Integrative Biology, Evolution Ecology and Behavior, Plant Biology, Animal Sciences, the Neuroscience program, and at the Beckman Institute. We participate and advertise the SSC and Green Fund at the Beckman Open House where we have a lab booth, and we employ sustainable practices in lab routine wherever possible.

9. If applicable, please explain how the project engaged individuals from underrepresented groups and/or promote diversity, equity, and inclusion. *

We have a diverse lab group and an even more diverse collaborative network that aims to provide opportunities to our entire, inclusive community. We train students at the graduate and undergraduate levels, and encourage wide participation in our research projects for all trainees.
