Time to complete

Project Questionnaire

Please provide proper and accurate information.

1. Name of project *

Student Sustainability Transportation Intern

2. Date project received financial award letter *

May 5, 2023

3. Date of forecasted project completion *

June 30, 2025

4. Date of report submission *

December 19, 2023

5. Marketing and promotion efforts to date *

We promoted the job opening on various job boards as well as directly reaching out to the Department of Architecture and Department of Urban and Regional Planning. You can learn about the progress here: <https://icap.sustainability.illinois.edu/project/appropriately-staff-sustainable-transportation-efforts>

6. Please describe project progress *

Hired Hrushikesh Chavan (Masters in Architecture student) over summer 2023. Hrushikesh left in early September 2023.
Hired Tushar Kokitkar (Masters in Urban and Regional Planning) in October 2023
Hired Sam Wuebbles (Junior in Urban and Regional Planning) in October 2023
Learn about the progress here: <https://icap.sustainability.illinois.edu/project/appropriately-staff-sustainable-transportation-efforts>

7. Please describe how your project integrates student involvement and community outreach *

I currently have two students working on the Sustainable Transportation projects on campus - Tushar and Sam. This experience will help them with their professional development and future career.
