Project Questionnaire

Please provide proper and accurate information.

1. Is your project complete? *

 Yes No

2. Name of project *

Purchase and Install New Eco-Counters

3. Date project received financial award letter *

2/20/2017

4. Date of project completion *

August 2023

5. Date of final report submission *

8/1/2024

6. Please describe marketing and promotion efforts for the duration of the project. *

We have auto data transmission for all Eco-Counters and we are reporting monthly data on the iCAP Portal, the F&S Biking website, and F&S Walking & Running website. We also display the monthly data for bicycle counts at these locations (and others, when available) on the Bike at Illinois website. We have access to 15-minute interval data from Eco-Counter that is available (on request) for any student, faculty, and staff to analyze the walking and biking behavior of our campus community at these corridors.

7. Please describe how your project faced challenges or obstacles during the duration of development. *

Procurement of the counters
Availability of shops for installation caused a delay

8. Please describe in detail how your project has integrated student involvement, community outreach, and campus sustainability. *

We have integrated student involvement through efforts of incorporating Eco-Counter data into campus courses, such as CEE 190 project-based learning class and similar courses that work with students to explore projects including transportation-related ones.
