

STUDENT SUSTAINABILITY COMMITTEE

Funding Award and Acceptance Letter

May 1<sup>st</sup>, 2020

Project: Allerton Park Solar Array

Dear Mx. Joshua Charles Frerichs:

On behalf of the University of Illinois at Urbana-Champaign Student Sustainability Committee (SSC), I would like to thank you for considering the funds raised by the Sustainable Campus Environment Fee to implement a project that improves the sustainability of our campus. SSC is pleased to inform you that we are recommending to the Institute for Sustainability, Energy, and Environment (ISEE) that your project receives \$55,000 in grant funding.

In order to remain eligible for this award, you must agree to the following conditions:

1. A final report of all work completed should be provided to the SSC Program Coordinator by May of 2022.
2. Project status updates and detailed account statements must be provided at the end of each semester, in the method requested, until the project is completed.
3. The Contact Person will be individually responsible for all official communication and the execution of this agreement.
4. The CFOP provided for this award shall strictly be used for the money awarded in this proposal.
5. Any substantial modifications to project scope, budget, or timeline must first be approved by SSC. These requests must be submitted in a formal letter to the Chair and Coordinator.
6. All projects will be expected to follow campus policies and procedures as well as any applicable State and Federal laws.
7. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.
8. Any press releases or educational/promotional materials involving the project should acknowledge SSC funding.
9. Any signage involving the project or events surrounding this project should include SSC's logo and/or a statement of which fee funded the project. Projects must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.

If you agree to the terms and conditions for the funding, please sign on the designated line at the bottom of this letter. If you have any questions regarding these requirements please contact the SSC, at [sustainability-committee@illinois.edu](mailto:sustainability-committee@illinois.edu). You will be notified when the Institute for Sustainability, Energy, and Environment and Vice Chancellor for Student Affairs officially approves this project. Again, thank you for your interest in improving the sustainability of the University of Illinois at Urbana-Champaign. We look forward to working with you in the future.

## Project Information

**Project:** Allerton Park Solar Array

**Funding Source:** Sustainable Campus Environment Fee

**Funding Amount:** \$55,000

**Receiving Campus Unit:** Allerton Park and Retreat Center

**Unit Financial Contact:** Jan Gill

**E-mail:** [jkgill@illinois.edu](mailto:jkgill@illinois.edu)

### Project Description:

Allerton Solar Array Project will continue step towards the Allerton Park Climate Action Plan (AP CAP), with a goal of carbon neutrality by 2035. This solar array will be partially funded by the SSC grant (\$55,000) and a private community donor (\$25,000) to afford building materials and installation. The Park will match any remaining initial costs along with maintenance and operations of the array similar to other arrays on site. Its visibility when entering the park along with installation offers sustainable educational opportunities for the community and visiting students on renewable energy technologies.

This proposal directly funds:

1. Wages
2. Construction Materials
3. Solar Array and additional components
