

## STUDENT SUSTAINABILITY COMMITTEE

### Semesterly Report

*Thank you for your commitment to green initiatives at the University of Illinois. One of the ongoing requirements listed in the terms of the funding agreement for your project is the submission of semesterly reports with key information about your project. In addition to this form, please provide additional financial documentation and/or progress photos if available.*

*Please be as accurate as possible in describing the project (including possible setbacks or challenges in meeting the initial goals of the project). Not fully meeting your project's goals will not disqualify you from making future funding requests as long as your reports are as complete and accurate as possible. If you have any questions, please contact the Student Sustainability Committee, at [sustainability-committee@illinois.edu](mailto:sustainability-committee@illinois.edu).*

**Project Name:** BIF Solar Installation

**Date of Report Submission:** 8/20/2017

**Project Purpose:**

The College of Business is in the process of building on to the fourth floor of BIF by adding 16 faculty offices (construction to begin January 2018). To utilize the roof space, the College project has included as an alternate the installation of a PV solar panel system located above the new offices. The goal for this funding is to support this installation offsetting the energy consumption of the new addition as well as increase the overall percentage of renewable energy supplied to the building.

**Detailed Accounting of Expenditures to Date:**

Not applicable to date – The College is just completing 95% review for this construction project.
